Beyond the Blue Print: Value Based Strategic Summit

Ms. Mary Kaye Justis

Director, TRICARE Health Plan
Defense Health Agency

Ms. Mary Kaye Justis is the Director, TRICARE Health Plan. She provides executive leadership on organizational, programmatic, operational, and policy matters pertaining to the worldwide management of TRICARE managed care, as well as DHA purchased care programs, for healthcare services that cover 9.5 million beneficiaries. She participates in the development, formulation, implementation, and advocacy of healthcare operational policies, MHS transformation, and program objectives of critical importance to the goals of the Secretary of Defense. She is responsible for ensuring TRICARE program compliance and adequacy in the areas of policy interpretation and administration; ensuring clearly defined lines of authority, responsibility and accountability are established for all assigned programs; developing plans and policies; and ensuring review and maintenance of program milestones.

Ms. Justis is an accomplished leader with over 25 years of healthcare experience in the public and private sectors. Prior to her senior executive appointment at TMA, she served in leadership positions at Medicaid and Children's Health, Atlanta, Georgia, and the Department of Health and Human Services (HHS), Center for Medicare and Medicaid Services. Throughout her private sector career, she has held progressive leadership positions as Director, Chief Operating Officer, and Chief Executive Officer. She has also been an owner and operator of a start-up new business. She possesses extensive experience and expertise in implementing programs, and in managing healthcare administration and clinical operations.

Ms. Justis holds a Bachelor of Science degree in Nursing from Wayne State University and a Master of Business Administration degree from Oakland University.
