

# Beyond the Blueprint: Value-Based Health Care Strategic Planning Summit – 23 May 2016 AGENDA

*Objectives:*

- Identify and discuss successful Value-Based Health Care programs and measures
- Discuss Value-Based end state as it relates to an Integrated Health Care Delivery System
- Discuss Service-specific health care priorities as they relate to Value-Based Health
- Develop a shared strategy for moving the MHS to value-based health care
- Develop recommendations and brief executive leadership on the way ahead for value-based health care demos and pilots

At the end of the meeting, attendees will:

- Reach a shared consensus on the current end state and way ahead for the FY16 NDAA Section 726 requirements and value-based health care in the MHS
- Recommend a shared strategy for moving the MHS to a value-based paradigm
